

Dear Parents/Guardians,

Our Sports Day will be held in Robertstown G.A.A. pitch this Thursday, 25th May 2017, starting at 11:30am. All pupils should come to school as normal on the morning. Pupils should wear appropriate length shorts or school tracksuit bottoms. Class teachers will tell each child what colour t-shirt to wear on the day. Children will be divided into coloured teams.

All the pupils and staff, escorted by the Gardai, will depart the school walking to the pitch at 10:45am on the morning. We need as many parents as possible to walk with us as stewards. All adults should wear hi-vis jackets, so they can clearly be seen.

Children will have a snack on arrival at the pitch. Please ensure your child brings lunch, one treat and two drinks on the day. As the day is promised to be sunny, please put sun cream on your child in the morning.

Pupils will stay in their class groupings with their teacher for the duration of the day. The pitch will be set up as stations. Classes will rotate around the stations during the day, collecting points for activities. Parents are invited to watch the events, but please do not remove your child from his/her class group.

Infants will be dismissed at the usual time of 1:35pm and senior children at the usual time of 2:35pm. All children should be collected from the pitch. We are looking forward to an exciting afternoon.
