

ARTS & CRAFTS

JUNIOR CLASSES

Grainne Behan

Today you
will be
making your
own mini
minions

Equipment Needed:

- 1: Toilet Roll
- 2: Water bottle cap
- 3: Glue Stick
- 4: Black Marker
- 5: Blue , Yellow coloured paper (Can use white paper and colour it in yellow and blue if needed)

Step 1 :

- Get your bottle cap, this will be used to create the eye.
- Draw a black circle in the middle of the minion's eye.

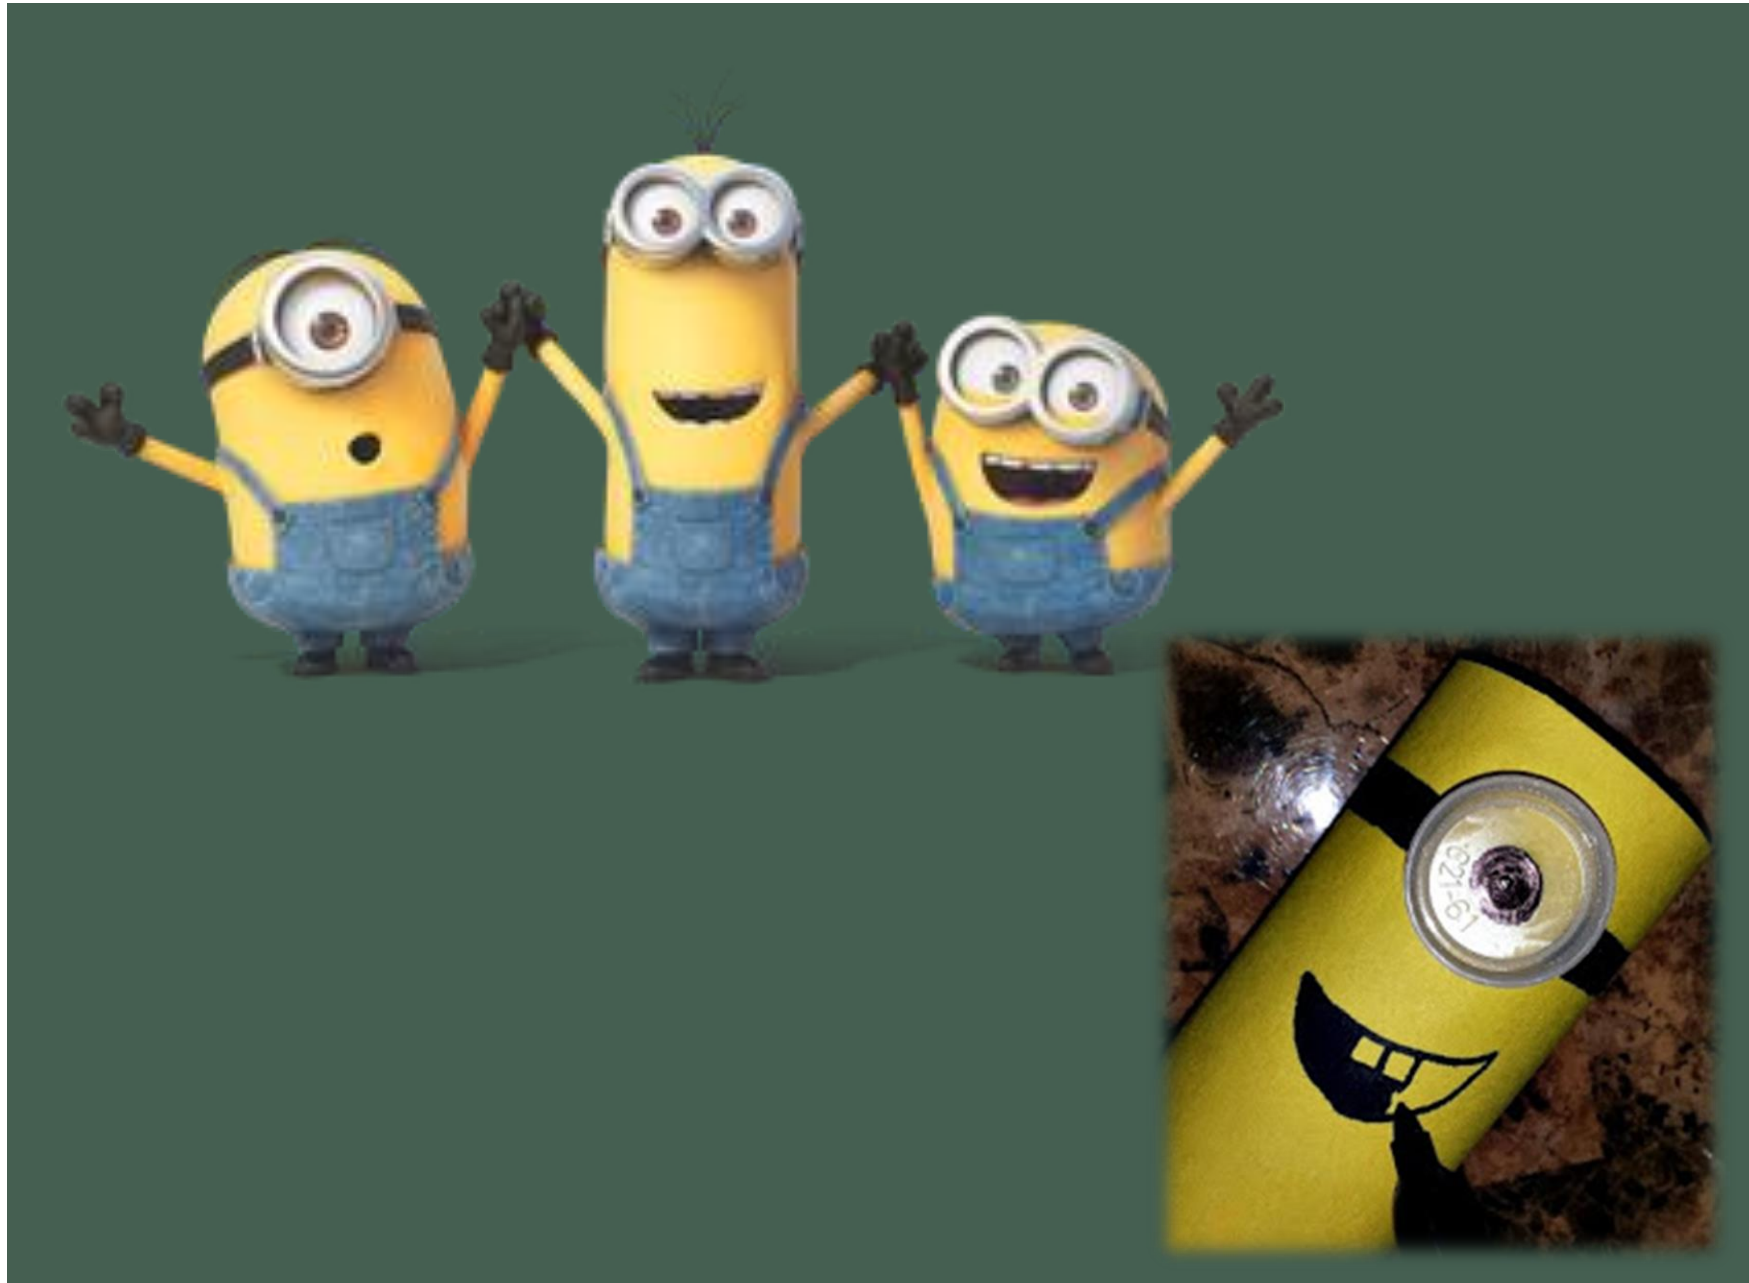

Step 2:

Wrap the yellow coloured paper around the toilet roll and glue it in place

After glue the bottle cap to the top middle of the roll

Draw a 1 cm thick strap with black marker

Step 3:

- Every minion has a different face/smile
- Select which smile you would like on your minion
- When you have chosen which one you would like draw with a marker your minions facial expression

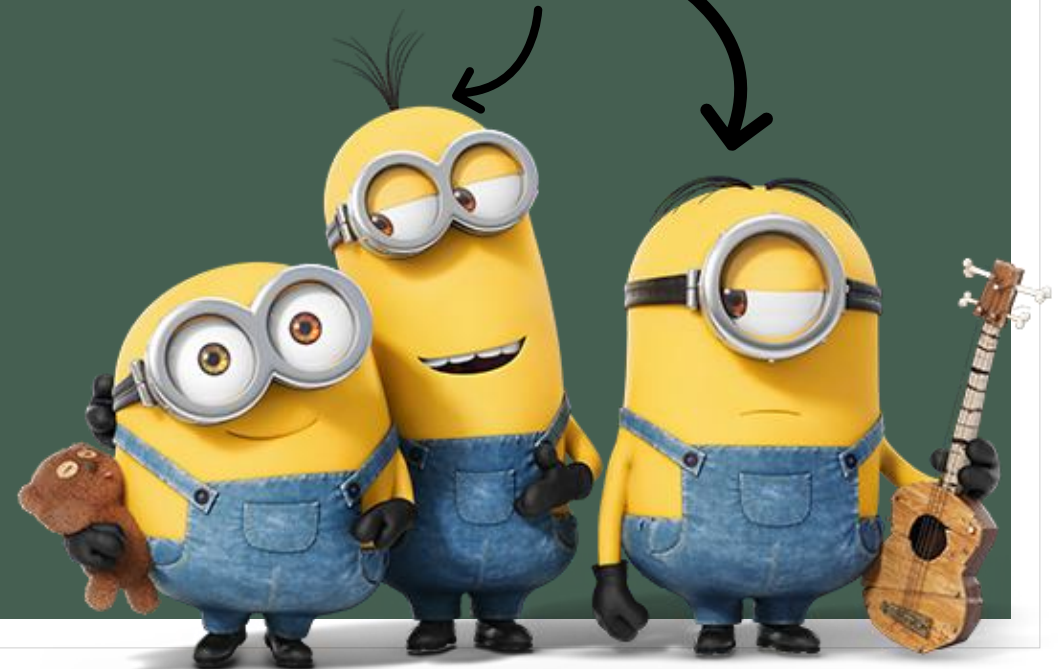

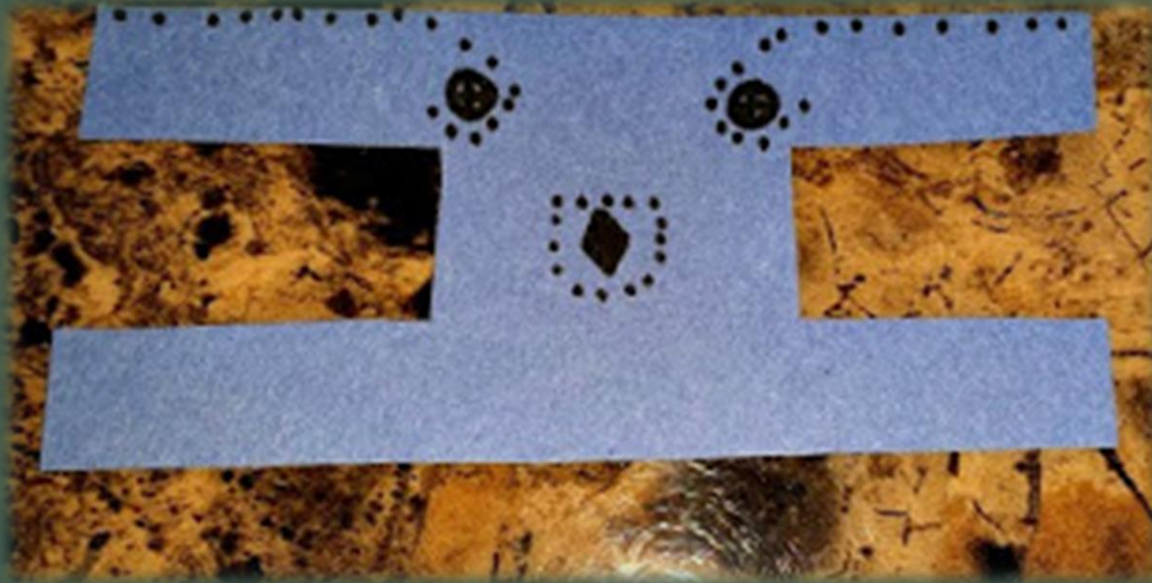

Step 4

- Cut two skinny strips of yellow paper and cut two black gloves
- Glue the gloves onto the end of the yellow strips

Step 5

- Cut minions hair out of the black paper , which ever way you want
- Its important to remember each minion is different

Step 6:

- Take the blue paper and cut a H shape pattern out
- This is the minions over all's
- Glue that on to the bottom of the minions body
- This should be wrapped around toilet roll and secured with glue or cello tape

Now you have your own minion

It is important to remember you can design yours whatever way you want

Your minion can have 1 or 2 eyes or even 3

Have fun !!
