

# Weekly Arts & Crafts

*Junior Classes*

*Grainne Behan*

Today you will be making either (or both)

1. A butterfly Hand Print
2. Balloon Squish Monsters

1<sup>st</sup> Butterfly  
Handprints

# Equipment Needed:

Colored paper

Googly eyes

Black marker

Glue

Pom Poms

# Step 1:

Fold the colored paper in half  
Trace your hand on the paper  
as seen in the picture

Now you have two hands joined  
together

## Step 2:

With a different colour paper, cut out the body and head of the butterfly

Cut out the head and body and glue to the outside of the butterfly

## Step 3:

- Glue on googly eyes, if you do not have googly eyes you can draw them on with black marker

## Step 4:

- *Cut out curved shaped top piece for your Butterfly and glue on to the top of its head*
- *Draw on smiley face*

## Step 5:

- You add glue on pom poms if you have some
- If not you can draw, paint in some dots or designs onto the wings of your butterfly

# Final Step

- You can write on the back  
On your butterfly and use it as  
As a card

# Balloon Squish Monsters

# Equipment Needed:

1. Balloons
2. Flour/rice
3. Empty water bottle
4. Wool
5. Black marker

## Step 1:

- Fill up empty water bottle with flour (you can use rice if you do not have flour)
- You can use a funnel as seen in picture to get the flour in easier this is optional

## Step 2:

- Blow up the balloon and attach it to the bottle full of flour
- This can be hard , ask for some help if you can not do it

## *Step 3:*

*Once the balloon is attached to the bottle, flip the bottle upside down and pour all the flour into the balloon*

*Tie a knot once your balloon is full*

## Step 4:

*Using wool, this step is optional you can add some funky hair*

## Step 5:

Final step is to add a face to your monster

Draw on the face using a black marker

Don't forget to take  
pictures of your crafts
