

Newsletter No 22

8<sup>th</sup> March 2021

### **School Reopening**

We are very optimistic that the senior classes will be joining us next Monday. An information document will be sent out later in the week. Thank you to all the parents in advance for continuing to wear a mask and not congregate at the school gate during drop offs and collections.

### **Return to Education Form**

Please note going forward that after a school closure or a child is absent for a day the 'Return to Education Form' needs to be filled out through Aladdin Connect. This is guidance for all schools. 3<sup>rd</sup> – 6<sup>th</sup> class parents will need to fill theirs out from 3pm Sunday for returning Monday.

Please also note for absences; *If your child has a sore throat, headaches, is feeling sick or vomiting they should be kept at home for 48 hours. If after this time their symptoms have not gotten worse, they don't have new symptoms, they have not had paracetamol or ibuprofen during the 48 hour period (this can hide a fever) and no one else they live with is ill or has tested positive for COVID-19 they may return to school.*

### **Zoom Calls**

Reminder that if your child is locked out of their class Zoom meeting and would like to re-join, please email the [robertstownnsresource@gmail.com](mailto:robertstownnsresource@gmail.com) and request your child to be readmitted. The co-host teacher can then admit your child and lock the meeting once more.

### **Bike Shed**

Please be advised children entering the school grounds with bikes must walk up the path to the bike shed.

### **Gráinne's Weekly Challenge**

Gráinne has added some baking ideas and some 'St. Patrick's Day' themed arts and crafts on the school website that can be completed at home.

### **Seachtain na Gaeilge**

**Next Tuesday March 16<sup>th</sup>** we'll have 'Lá Glas' to celebrate both Seachtain na Gaeilge and St. Patrick's Day. The children can wear anything green they like!

### **The Lunch Bag**

The Lunch Bag are currently delivering the service to our school for children from Junior Infants to Second Class. They hope to continue to add more and more options to parents as they continue to grow. Orders can be placed for **all** children from 12pm on Friday 12<sup>th</sup> for lunches on Monday 15<sup>th</sup> of March.
