The National Parents Council will be holding an Internet Safety Training Session for parents in the school on Tuesday the 14th of May at 7.30pm. This training session introduces strategies for parents to help their children to be responsible, effective and safer Internet users. The session covers screen time, social media and the issue of cyber bullying. As parents, it is vital to have good, open communication with your child about their internet lives, like all other aspects of their lives. It encourages talking to your child about the potential dangers that they may come across online as well as the benefits they will find. The session covers how to set rules and boundaries around children's Internet usage to help keep them safe online.

The Great Cupcake Picnic will take place in the school on Friday 3rd May. Please see attached poster with details.
